**APPLICATION FOR
ENLARGEMENT OF TIME TO
FILE ANSWER TO PETITION**

The Honorable Leo S. Papas
United States Magistrate Judge

19
20 Kevin R. Vienna declares:

21 I am the Deputy Attorney General assigned to prepare response in this matter. A motion to
22 dismiss is due on August 11, 2008, or an answer on the merits is due on August 26, 2008. As
23 explained below, other work – with earlier due dates – precluded my work on this matter until
24 recently. In addition, much of my last week has been spent in preparation for an argument in the
25 Ninth Circuit, on which I was required to substitute at the last minute.

26 I expect to begin working principally on this matter within about the next week, and I expect
27 to complete it shortly thereafter. Accordingly, as explained further below, I ask the Court to grant
28 an enlargement of time of about one month within which to file our response.

A. Background

Petitioner Stevenson challenges a 2006 conviction in Imperial County Superior Court. Following his pleas of no contest to the charge of possession of a weapon by a state prisoner, the trial court imposed a sentence of six years imprisonment.

The sentence was awarded on February 28, 2006. Stevenson did not file an appeal. It appears he first challenged the judgment in a petition for writ of habeas corpus filed in the California Court of Appeal about May 12, 2006. That petition was denied on the merits on June 29, 2006. Stevenson next constructively filed a habeas corpus petition in the California Supreme Court about December 1, 2006. That petition was denied summarily on June 13, 2007. The current federal Petition appears to have been constructively filed almost one year later, on June 10, 2008. Based on my initial view of this procedural history, I believe the current Petition is untimely. I have obtained copies of the state habeas corpus petitions filed by Stevenson, so I believe I now have the records required to support a motion to dismiss.

B. Counsel's Status

This case was assigned to me about July 11, 2008. At that time, I had a number of other cases assigned to me with existing due dates. I generally work on cases in the order in which they are assigned. In about the last month, I have completed work on the following cases:

| | |
|---------------------|------------------------------|
| Wooley v. People | EDCV 08-0333, SD |
| Russ v. Yates | EDCV 08-00539 |
| Lohman v. Felker | 07-0905 |
| Kanehe v. Tilton | EDCV 08-369 |
| Thomas v. Ayers | EDCV 08-00606 |
| Arberry v. Figueroa | 08cv0813 |
| Zabala v. Horel | EDCV 08-0647 |
| Johnson | No. 07-55647 (oral argument) |

///

///

| | | |
|---|-----------------|--------------------------|
| 1 | Reyes v. Martel | 08cv791 |
| 2 | Luna v. Evans | EDCV 08-636 |
| 3 | Moore v. Dexter | EDCV 08-0130 |
| 4 | Heath v. Tilton | 08-55293 (oral argument) |

5 I completed oral argument in the Heath matter yesterday. Heath was reassigned to me
6 because the originally assigned deputy had to depart on family leave to care for her mother. This was
7 the third time the Heath matter had been in the court of appeal, and the complex procedural and
8 factual history required my review for much of the last week to prepare for the argument.

9 I have two other matter that was assigned before the instant *Stevenson* matter; one of which
10 is *Barnes v. Campbell*, an appellee's brief in the Ninth Circuit. I expect to complete my draft of that
11 brief over the weekend. The other matter is *Parrish v. Yates*, EDCV 07-01402, which I hope to
12 complete by late next week. At that point, I will be able to work principally on the *Stevenson* matter
13 until completion.

14 Additionally, I am on this office's habeas corpus team. That means my work is routinely
15 interrupted by questions from other deputies regarding federal habeas corpus matters.

16 Granting of an enlargement of time will permit the response to be prepared without impairing
17 quality and will afford adequate time to obtain and copy necessary records, for review and processing
18 in this office, and for filing in this Court. Should this extension be granted, I will seek to complete
19 the briefing based on the schedule described above, and I will not place this matter at any lower
20 priority. All extension requests and progress are monitored by the senior assistant attorney general
21 in charge of this office.
